EDUCATION

- **B.Tech(Computer Science and Engineering)**
  KIET Group of Institutions, Delhi-NCR, Ghaziabad
  Affiliated to AKTU Lucknow
  Batch:2021-2025
  SGPA- 8.57

- **XII(CBSE)**
  Army Public School, Kanpur
  2020 – 2021
  Percentage- 94.3

- **X(CBSE)**
  Army Public School, Kanpur
  2018– 2019
  Percentage- 90.2

PROJECTS

- **ConstructTrack: Real-Time Project Monitor (Sept 2023-Oct2023)**

  ConstructTrack's principle is to provide real-time insights and seamless project management for construction projects through comprehensive data tracking.
  Team Size: 5
  TechStack: HTML , CSS, JavaScript, Machine Learning

- **Spot Saver   (May 2023-July2023)**
  The principle of the parking lot management application is to enhance efficiency through real-time monitoring and optimization while integrating digital payment methods.
  Team Size: 3
  TechStack: HTML,CSS,Flutter, DART, XML

- **Life Saver   (Sept 2022-Nov2022)**

  The blood donation app's principle is to efficiently connect donors with recipients, ensuring a sustainable and accessible blood supply through streamlined processes and real-time updates.
  Team Size: 4
  TechStack: HTML,CSS,Flutter, DART, XML

INTERNSHIPS

AWS Academy Machine Learning Foundations
AICTE-EduSkills Virtual Internship   (Jun2023-Jul 2023)
Technologies Acquired:
- Machine Learning Algorithms
- Coding Language: Python

AWS Academy Cloud Foundations
AICTE-EduSkills Virtual Internship   (May2023-Jun 2023)
- Acquired foundational knowledge in cloud computing concepts and AWS services.
- Insight into various computing services offered by AWS

Java(Summer Internship)
KIET Group of Institutions   (Aug2022-Sept 2022)
- Understanding of the fundamentals of Java including Data structures and algorithms.
- Utilized Java frameworks and libraries.

CO-CURRICULAR ACTIVITIES

- **Participant, Hacknovate 1.0**
  Hosted by ABESIT College □
- **SHE HACKS Online Event**
  hosted by UNSTOP.
- **Smart Indian Hackathon 2023 Participant**
  Participated in a nationwide hackathon
- **Participant, INNOTECH 2022.**
- **Participated in INNOTECH organized by the college.**
- **Member, UDDESHHYA**
  Served as an active member of an NGO club,.

COURSES AND CERTIFICATION

- **Java**
  Linkdin Learning   May 2024
- **Data Structures and Algorithm and Fundamentals of Web Development**
  Programming Pathshala   May 2024
- **Cloud Foundation Course**
  AWS academy   July 2023
- **Machine Learning Course**
  AWS academy   June 2023

ACHIEVEMENTS

- **1 st Place, KICCS-D-HACKS 23.6.   (Oct 2023-Nov2023)**
  Secured the 1st Position in the KICCS-D-HACKS 23.6 competition at the Department level.
- **100+ coding problems on LeetCode and Other Platforms**
  Successfully solved over 100 coding problems on platforms like LeetCode, HackerRank, or Coding Ninjas
